

King Co. Project List						
SR	Beg MP	End MP	City	Location	Description/Scope/Need	Comments
005	156.3		Tukwila	Interurban NB on-ramp	Narrow the 85-foot wide ramp entrance with tighter radius sidewalk bulbs on both north and south sides. This spur ped crossing leads to a major 15-foot wide Duwamish county bike trail, and nearby Park-n-Ride.	1/04 not listed as a PAL
002	48.71		Skykomish	5th Street	Add sidewalk on 5th between bridge and SR2, Create pedestrian space between SR2 and city center	
005	178		Shoreline	SR 104 I/C (205th Street)	No sidewalk along SR 104 through limited access area - costly - question if this was constructed may be high risk to peds. May need R-O-W.	1/04 not listed as a PAL
167	24.77		Renton	43rd SE bridge over SR167	Add fence on structure, Prevent jumping from bridge, near hospital	
104	31.44	32.28	Lake Forest Park	East of 37th to SR 522	Sidewalk connectivity, Within HAC - Lack of sidewalk connectivity. There appears to be a school on the east side of SR 104.	Within 2004 HAC (MP 31.44-32.28) and 2004 HAL (MP 31.88-32.25).
509	21.79	20.75	Normandy Park	SW 200th St to SW 216th St	sidewalks, bike lanes, storm drainage facilities,	within 2000 HAC SR 509 MP 20.5 - 21.5 and 2004 HAC MP 20.62 - 23.11. 1/04 not listed as a pal.

509	23.32	21.79	Normandy Park	SW 174th St to SW 200th St	sidewalks, bike lanes, storm drainage facilities, medians, left turn pockets, walls	within 2000 HAL SR 509 MP 22.98 - 23.34, 2000 HAC SR 509 MP 22.5 - 24.00, and within 2004 HAC MP 20.62 - 23.11. 1/04 not listed as a pal.
509	28		unincorporated - south of Seattle	S112th St	600' sidewalk on south side of S112th between SR509 ramps; Half diamond interchange with ramps teeing on north side. Peds must choose between 4 intersection crossings on the north or a narrow shoulder with vehicle encroachments on the south. Ped attractions nearby. Southern Heights Elementary 1/4 mile to east	
90	6.2	6.5	Mercer Island	West Mercer to 76th - extending over the 1st Hill Lid. Luther Burbank Lid to Shorewood Drive - along North Mercer Way.	Trail lighting installation on the Mercer Island mixed-use trail; Improvements for lighting on 4700 feet of trail	City of Mercer Island and Recreation is maintaining the trail and State has the ownership. Will ask Park to consider removing shrubs, tree branches or possibly trees to improve clearance.
